## **GOVERNOR DECLARES WATER EMERGENCY** **Lancaster Ordinance 905 Against Wasting Water**

*The following acts are considered a waste of water and are prohibited within the City:*

- Allowing water to flow directly into the street, gutter, storm drain, or sewer
- Permitting water to leak for an unreasonable length of time
- Allowing irrigation runoff to flow into the streets or other paved areas
- Watering lawns or landscaping between 10:00 am and 10:00 pm from March 1st through October 31st.  
(During other months residents should be vigilant to reduce lawn and landscaping water usage)
- Washing vehicles with a free-running hose
- Washing, cleaning or hosing down buildings and other hard surfaces (except windows)
- Allowing water to form a pool deeper than one-quarter inch on any surface, except pools and ponds

**HELP PRESERVE OUR WATER RESOURCES FOR FUTURE GENERATIONS**
